Dear Ms. White:

This responds to your Freedom of Information Act (FOIA) request dated September 24, 1996, requesting a copy of form SF33 and all pages of Schedules A&B from an attached list of some 80 contract numbers.

The Department of Veterans Affairs (VA) does not maintain a centralized database on VA medical center contracts. Only two of the contracts listed (the last two) are generated from VA Central Office. Nine of the numbers listed are not contract numbers but purchase order numbers, for which you will need to obtain a contract number. You may submit a request to each of the VA medical centers shown on your attachment for information pertaining to the listed contract.

A publication containing VA medical center addresses is enclosed for your convenience.

We hope this information is helpful.

Sincerely,

Celia Winter
